

# KURANDA SCENIC RAILWAY

TAKE A UNIQUE JOURNEY THROUGH  
WORLD HERITAGE-LISTED RAINFOREST

2018 / 19

## EXPERIENCE KURANDA SCENIC RAILWAY

The Kuranda Scenic Railway is an iconic two hour rail journey that meanders its way from Cairns or Freshwater Railway Station, through the World Heritage-listed rainforest of the Barron Gorge National Park, to the quaint mountain village of Kuranda.

Enjoy breathtaking scenery, towering waterfalls and deep ravines as the train winds its way through 15 hand-made tunnels and over 37 bridges. Hear about the journey, the flora and fauna and the incredible history of the railway line through the multi-lingual audio commentary.

This historic railway line originally opened in 1891 and is an engineering feat that has stood the test of time. Up to 1500 men at a time armed only with hand picks, shovels and dynamite carved through mountainous and unforgiving landscape to construct the 37 kilometres of track.

The historic carriages of Kuranda Scenic Railway are hauled by dedicated 1720 class locomotives adorned in Buda-dji colours, which portrays the legend of the Buda-dji Carpet Snake, said to have carved out the Barron Gorge.

Choose from Heritage or Gold Class travel to discover this famous railway journey.
