I spent a wonderful week on the great keppel island:
snorkeling, hiking, discovering new fishes in the ocean...
You wake up with birds and live in the nature all around.
The ferry even brings you on this little paradise directly on the

I want it back the way it was with he beautiful resort we stayed
in 1990. We flew into the Island and stayed in a brand new
Villa up on the hill.
Now the Island Looks like a war torn area up there.
Shame on who let this happen.
